INTERESTING ITEMS FROM EL VERANO AND VICINITY.

Weekly Record of all the Happenings in His Town
as Faithfully Recorded by Our Wide-Awake
Reporter, "Archie McKiver."

Billy Ives of Santa Rosa was here Tuesday.

Mrs. F. Kenny of San Francisco is visiting at her residence south of town.

H. P. Mathewson transacted business at the county seat last Saturday.

Martin Muldry of Sonoma was in town last Saturday shaking hands with the boys.

Miss May Gibbs, a charming young lady of San Francisco, is a guest at Parente's Villa.

Jep Valente, a prominent Sonomaite, was an S. P. passenger for Santa Rosa last Sunday.

The Rev. Dr. Clappett returned to San Francisco Tuesday morning after spending a few days on his ranch above town.

Edwin Faithful returned from San Francisco last Saturday after spending several days with relatives and friends there.

Leo Baines visited in San Francisco the latter part of last week and during his sojourn made a trip to Mount Tamalpais.

L. Mouyer, our popular drayman, has just had completed in front of his residence a new gate, which greatly improves his place.

Mr. and Mrs. E. E. Harris and family have gone on a camping trip to the southern part of the state. They will be absent several weeks.

The Meehan-Grande fight held in Vallejo on July 10 resulted in a draw after twenty hard rounds of milling. A return match will be fought.

A large crowd was here from San Francisco last Sunday, every train bringing a number of summer visitors. Many of them remained here to spend a few weeks.

A United States revenue man was in town the latter part of the last week visiting the different saloons and inspecting their liquors. He found everything lovely.

Harry Foley, the veteran manager and trainer of San Francisco, has been here this week, a guest at the Bellevue Hotel. Foley is now managing Fritz Holland.

Pete Norblom has purchased a fine stallion from the California State Home management. The horse is black in color and goes by the name of Prince McKinney.

John McClellan was in town from the metropolis Saturday and Sunday. Johnnie is a popular politician and carries his district in his vest pocket. He registered at the Bellevue Hotel.

The big talk in town this week is the coming baseball game between Sonoma and El Verano on our local diamond. The game is bound to be a good one and a large number of fans are expected to attend.

The El Verano baseball nine defeated the Western Union Telegraph nine of San Francisco last Sunday at Agua Caliente, the score being 6 to 9. Both teams played good ball and a large crowd witnessed the game.

The Southern Pacific Co., on account of the heavy freight traffic of late, has seen fit to put two freight trains on the Suisun and Santa Rosa run. This will leave a crew at Santa Rosa and one at Suisun each evening.

A card party was given at the J. K. Bigelow residence near here last Thursday. A large number of society people from Santa Rosa, Petaluma, Sonoma and El Verano were present. Mr. and Mrs. Bigelow plan many of these affairs during the summer season.

Many people were entertained at Parente's Villa last Tuesday afternoon by the Strom sisters with a variety act. All the folks that saw the show say it was the best they had witnessed for a long time. The Strom sisters recently refused a long contract with the Orpheum circuit.

The California Anglers Association is continuing its good work. Last Sunday 50,000 young trout were planted in Sonoma Creek above Glen Ellen. Joe Meyers, Bill Street and Emile Medan of the association turned the trout loose into the creek, which should prove an ideal trout stream in the future.

Deputy Sheriff Joe Ryan was a visitor to Santa Rosa Tuesday.

Harry Larsen, a well-known contractor and builder of San Francisco, is the guest of relatives here this week.

Mrs. J. Brown of Vallejo came up on Tuesday morning's Southern Pacific train en route to Sonoma, where she is the guest of Mrs. E. Cornelius.

Billy Carr, the entertainer at Parente's, and Slim Wilson, the waiter, have entered into partnership, but have not separated from Parente's Madhouse Band.

Three prominent gentlemen visited Santa Rosa Tuesday evening. They were Spike Stone, Albert Rossi and Alden Childs. The boys returned home safely in the morning.

Miss Birdie Fox, the Texas Tommy dancer at Parente's, met with an accident here, and was compelled to go to a San Francisco hospital. She will return in a few weeks.

Johnnie Bacigalupi, clerk at Graham's Cash store, Boyes, attended the ball game at Agua Caliente last Sunday. Johnnie was accompanied by several of his friends from the city, who came up especially to see the game.

Philip Kearns has accepted the position as bus driver for the Swiss American Hotel. Philip is a dear, so say the Frisco girls and seems to be in right at his new position.

Rumor has it that another one of our rising young society chaps has fallen for Dan Cupid. Of course a San Francisco girl is the lucky one. The wedding bells will ring soon.

Professor of music Spano, is a guest at the Parente Villa. He plays several instruments at once and has traveled practically all over the world. The professor is here for a short stay and his talent is worth seeing.

On Tuesday evening's S. P. train an express car was taken through here loaded with some fine race horses, en route to Santa Rosa, where they will be entered in the racing event that takes place in that city the latter part of the week.

Fritz Holland, the fighting Dutchman, fought Billy Weeks at Oakland, Wednesday evening. Holland trained for the battle at the Bellevue Hotel gymnasium, El Verano, which is getting to be a favorite place for conditioning boxers.

Cleve Hawkins, the colored boxer, is back from Oakland where he spent a few days. He won his fight in San Francisco from Louis Carose by a knock out in three rounds. Cleve boxes every afternoon and all who have seen him think he is a coming champion.

Charley Horn, the promising young Mission heavyweight, is a guest at Crane's Hotel. Charley fought Kelley's white hope, Ed Williams, last Friday evening at San Francisco, winning in the third round, the fight being stopped on account of the terrible beating that Horn was giving Williams.

Some miscreant seems to keep himself busy breaking electric globes. The management of Parente's Villa has been good enough to place two electric lights at that sharp turn between the iron bridge and their resort for the benefit of the traveling public, but some sneaky underhanded rat sees fit to destroy the globes.

The prize waltz at the El Verano Villa last Friday evening was won by Mr. and Mrs. Geo. Fredrickson of San Francisco. Over fifty couples were on the floor. It takes the city folks to carry away a prize. A large number of local dancers were competing for the prize, but Mr. Fredrickson and wife were too old at the game for them.

The "Fall of the Bastille" was celebrated here last Sunday evening. The Sonoma Valley Band furnished a moonlight concert at the Villa and the great French holiday was celebrated here in an up-to-date way. A large crowd assembled and the girls pronounced the band boys a bunch of nice looking fellows. The latest tunes were played and all in all it was an enjoyable evening.

That City Rock Crusher.

A little over a year ago the City Trustees invested something over \$2000 in a rock crushing plant for the City of Sonoma. At that time they argued that they could operate this plant and make it a source of profit to the city, that a pay roll would be maintained here, that our streets could be greatly improved and best of all Sonoma would have crushed rock at ACTUAL COST OF PRODUCTION. They had contracted for \$200 worth of powder per year for three years and to pay Emparan & Cutter 5 cents per yard for all crushed rock removed from their premises.

Several weeks ago a proposition was made to turn this plant and contracts over to a private party. At an informal meeting held by the Board July 1st last Mr. F. D. Bose (present on request), who has had charge of this plant and who perhaps knows as much as any one here in regard to the workings of it made the following statements (before a full Board and the statements were not disputed at that time), in answer to questions asked:

That under present conditions rock could be crushed and put into bunkers at 35 cents per yard; that the plant could be run about six months on 40 yards a day on this proposition; this would mean with the 5 cents per yard to be paid Emparan & Cutter, that something like 6000 yds could be produced at a cost under present conditions of 40 cents per yard to the city in the bunkers. Under the proposed private control, after the lessees will have paid the city the 5 cents per yard bonus, the crushed rock will be costing the city 55 cents per yard in the bunkers or 15 cents per yard more than the city can produce it for. The Trustees now argue that the city will be receiving \$2.00 per day (40 yards of rock at 5 cents per yard bonus). This looks like putting \$2.00 in one's pocket and taking considerable more than \$2 out of the other pocket, as the people of Sonoma will very likely be the consumers.

This private party cannot expect to run this plant for his health. No bids were called for. I did not raise this point as I felt that this was an investment by the people of Sonoma and should be controlled by them as long as it was their investment. If you want to know why the other Trustees did not say anything about letting this to the best bidder you will have to ask them.

In conclusion I wish to say to those who are criticizing me that I felt that I was acting for the best interests of the city when I voted No.

Hair Falling?

You certainly cannot lose your hair and keep it, too. Which shall it be? Lose? Then do nothing. Keep? Then use Ayer's Hair Vigor. That is about all there is to it. Ayer's Hair Vigor is also a splendid hair-dressing and hair-cream. It keeps the hair soft and smooth and greatly promotes its growth. It does not color the hair. Consult your doctor freely. Doctors are studying these hair questions much more than in former days.

HEAVY FINE FOR KILLING A QUAIL.

A City Visitor Violates the Game
Law and is Fined Fifty
Dollars by Justice
Campbell.

O. J. Bianchini of San Francisco, a well-do-do visitor in this valley, was arrested last Tuesday by Deputy Fish and Game Commissioner John D. Wagon for violating the game law.

The offender was caught with the goods on him near Vineburg by the officer, who took him into custody.

Upon arriving in town officer Wagon drove up in front of Justice Campbell's residence on Broadway to notify him of the arrest, so that he could file his complaint. Upon arriving in the Justice's Court in the City Hall the quail, which the accused had in his possession when placed under arrest had disappeared, and for a short time it looked as though with the disappearance of the bird the accused would go scot free. However, officer Wagon, suspecting that Bianchini had thrown the quail away, returned to the residence of Justice Campbell and after a brief search located the bird where it had been thrown by the accused. He then returned to the Justice's Court and Bianchini, upon being confronted with the evidence, pleaded guilty to killing game out of season and was fined \$50, which he promptly paid.

Sonoma Team Adds Another Victory to Its List

A most exciting and very interesting game of baseball was played here last Sunday between the local nine and the crack Camm & Hedges team from Petaluma. Fred. Helberg pitched the first three or four innings, after which Al Jensen was put in the box. During most of the time the score was tied, but the locals played good ball and won by the close score of 6 to 5. This Sunday the Sonoma Stars will cross bats with the El Verano nine in El Verano.

St. Mary's Church Benefit in Glen Ellen Tonight.

At Mervyn Hall, Glen Ellen, tonight the ladies of St. Mary's Church will give an entertainment and dance, the proceeds to be donated to St. Mary's Church of that place. Much interest is being taken in the event and many friends of the church and Rev. Father Comerford, its popular pastor, will attend from this section of the valley.

Yenni Sells Corner Lot

Peter Yenni has sold the corner lot and building occupied by the N. & M. Hardware Company to Fred Bulotti. The property has a frontage of 27 feet on First-street West and 93 feet on Napa street, and is improved with a one-story frame building which almost covers the entire area.

The State Fair

The California State Fair, which opens on September 14th, this year and continues for a week, promises at this date to be one of the most successful ever attempted. The good crop year throughout the State indicates an extensive agricultural display. About 25 counties already have their space provided for in the big pavilion and it is unlikely that any more will have a chance because room is limited.

In addition to better displays than ever before, the fair people are providing a program of amusements which will contain many thrills. One is a head-on collision between two locomotives. This feature, however, has not been definitely secured yet.

Probably a better class of horses will take part in harness races this year. Entries are in from all over the Pacific Coast, as well as from the Grand Circuit such as A. C. MacKenzie's Star Brimo, Peter Preston, Manitoba and many others. A number of horses are coming from Canada.

Special attention will be paid to saddle horses this year, prizes amounting to \$500 more than the regular premiums have been provided for. Fancy riding and hurdling with an egg on a spoon and many other unique riding tricks will be on the program.

Visitors to the fair grounds this year will notice a number of improvements. The manufacturers' building just received a coat of white plaster on the outside, making it as pretty as the other buildings. The grounds are being parked and put into lawns. Probably the most important change so far as the public is concerned, is the new stand that will be built along the lines of a baseball ground bleachers with a canvas awning overhead.

Large tents are being erected to house the automobile displays, which will represent every make of machine seen on the Pacific Coast.

E. Swift Train, a well-known newspaperman and horseman, has been appointed manager of Exhibits to succeed J. A. Filcher, who is now a City Commissioner of Sacramento.

Children Cry FOR FLETCHER'S CASTORIA

Leiser & McDevitt, the well known electricians of this place, will leave shortly for Oroville, Butte County, where they will be engaged several for days in wiring the new Carnegie Library of that place.

Something New at Boyes Springs

Wonderful new vacuum clothes washer is now being demonstrated from 9 a. m. to 11 a. m. daily at Boyes Hot Springs Bath House. A tubful of soiled laundry washed perfectly clean in three minutes, without boiling or soaking. The greatest labor and money saving invention in years.

Also a portable oven that broils, bakes, boils and roasts over one small flame at one time. Costs you nothing to investigate.

That Third Party Freak May Die Abornin'.

Reports from the East all along the line say that Roosevelt's third party movement is receiving a set-back on all sides, so much so, that the Colonel has had a great deal of conceit taken out of him. He now realizes when it is too late that Roosevelt posing as a Republican and Roosevelt the sore-headed bolter of the Chicago Convention are entirely two different persons, and that his third party movement is getting a withering frost everywhere. Verily, it looks like that third party monstrosity would die abornin'.

Judge Clinton H. Connick of Eureka, Humboldt county, who is making an active canvass to go on the ballot of the Republican party of the First Congressional District, at the primary election next September, was in town last Tuesday for the second time since he announced himself as a candidate for Congressional honors. Judge Connick is an affable campaigner and his only fault lies in the fact that he is an out-and-out Roosevelt progressive. Better stand in for Taft, Judge, and get the support of the Conservative Republicans of your district.

FROM NEW YORK TO SAN FRANCISCO.

An Unprecedented Theatrical Tour Which is to be Made Shortly.

An engagement unprecedented in the annals of San Francisco's summer theatrical history is announced for the Cort Theatre, beginning Sunday, July 21st, when the New York Casino Star Cast will be seen for a season, which is to last four weeks, in revivals of Gilbert & Sullivan's most popular comic operas, the series to consist of "The Mikado," "Pinafore," "Patience" and "Penzance."

This famous organization, presenting these masterpieces, is identically the same that but recently concluded a record-breaking engagement at the Casino Theatre, New York, and includes De Wolf Hopper, Blanche DuFried, Eugene Cowles, George McFarlane, Kate Condon, Arthur Aldridge, Arthur Cunningham, Viola Gillette, Alice Brady and Louise Barthel.

This organization, supplemented by the New York Casino chorus, the orchestra that they carry and the heads and assistants of the various mechanical departments numbers in all 119 persons.

All their journeys are made by special train, consisting of three standard Pullmans and one tourist Pullman sleeper, four baggage cars, one dining car and one coach. The company will leave New York and arrive in San Francisco, no stops being made en route, the day previous to the date set for the opening.

The repertoire as arranged for the four weeks stay in San Francisco will include productions of the "Mikado," week of July 21st; "Pinafore," the week of July 28th with presentations of "Patience" and "The Pirates of Penzance" to follow.

It was the original intention to send this company to London after its New York season, but the insistence of Manager John Cort prevailed, so that their plans were changed for them to visit San Francisco instead, the climatic conditions generally and the cool nights of that city during the months of July and August being quoted as especially attractive and inviting.

It is well to note that this com-

pany does not play in any other city in Northern California, other than San Francisco, as they are to return to New York to make preparations for reviving two other Gilbert & Sullivan operettas.

Hay Market

The condition of the hay market for the week ending July 16th, as reported by Somers & Co. of San Francisco, is as follows:

"During the past week receipts of hay have increased very materially, a total of 5083 tons having arrived which is over twice as much as was received the week previous. This sudden rush of hay to market has caused a very weak feeling and in fact prices are lower now than they have been for some time. Consumers are so persistent in their determination not to stock up with any quantity of hay at prices which have existed that it has been impossible to move the large quantity of hay which has arrived within the last few days. At the present time the local yard is congested and if the rush continues there will be a material decline in prices, at least on the San Francisco market."

"Although high prices are still asked in the country, yet there seems to be more activity on the part of farmers in seeking to sell their crops. There has been very little buying of late, it being absolutely impossible for dealers to purchase hay and bring it to market and realize any profit. If receipts of hay continue as heavy in the future as they have been during the past week the situation will become much worse. It is probable that holders of hay in the country will have to offer their hay at lower prices in order to move it to market."

At the present there is absolutely no possibility of export trade in hay from San Francisco and the Government has arranged to purchase their supply of for local use in outside States. The demand for California hay is curtailed considerably by such conditions and unless hay is withheld from the market or consumers conclude to buy at present for future use, which is not at all probable, there must necessarily be a decline in prices."

WOMEN TAKE NOTICE!

A man cannot understand the torture and suffering many women endure uncomplainingly. If the majority of men suffered as much pain and endured with patience the weakening sicknesses that most women do, they would ask for immediate sympathy and look for a quick cure.

Many women have been saved from a life of misery and suffering by turning to the right remedy—Dr. Pierce's Favorite Prescription—a remedy which is safe to take because containing no narcotics, alcohol or injurious ingredients. It is an alternative extract of roots, made with pure glycerin, and first given to the public by that famous specialist in the diseases of women—Dr. R. V. Pierce, of the Invalids' Hotel and Surgical Institute of Buffalo, N. Y.

Mrs. Lizzie M. Hessemer, of Lincoln, Neb., 539 "C" St., says: "I send a testimonial with much pleasure so that some suffering woman may know the true worth of your remedies. I was a great sufferer from female troubles but after taking one bottle of Dr. Pierce's Favorite Prescription, which a friend advised me to take, I found myself very much improved. After taking three more bottles, and using two boxes of Dr. Pierce's Lotion Tablets, I found myself on the road to recovery. I was in poor health for five years but now I am cured. I hope all women suffering from female weakness will give Dr. Pierce's Favorite Prescription a fair trial."

Doctor Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules.

Everybody will turn out Sunday to see the ball game between Sonoma and El Verano. Manager Wilkinson informs us his colts are all right and a stubborn contest will be fought Sunday on our local diamond.

Diebold Wants His Freedom From that Ad Woman

Geo. Diebold of Agua Caliente, who married an ad woman in San Francisco lately, was in Santa Rosa last Thursday, following up a clue to the whereabouts of his faithless spouse, who deserted him after securing \$200 in coin from her trusting hubby. George says he only wants his freedom from the matrimonial yoke and has no desire to prosecute the woman who is undoubtedly an adventuress.

VINEBURG NEWS ITEMS

"Easy Jim" Tells in an Interesting Way all About the Week's Happenings in and About His Section of the Valley.

Harry L. Hunter of The Knoll shipped a large amount of poultry to the city on Wednesday last.

Messrs Gegrich & Callahan of the El Nendo Poultry Yards still continue to make many improvements.

Mrs. Fred Batto and her daughter, Miss Emily, were the guests of Santa Rosa friends several days this week.

Blair Hart, our popular and energetic Supervisor, was greeting his many friends in this vicinity one day last week.

Miss Louisa Batto is the guest of her aunt, Mrs. Chas. McDevitt, in Sonoma City this week. Enjoy yourself, Louise.

Emil Forni of San Francisco is the guest of his brother, Enrico Forni, at Pleasant Villa. He will remain a week.

A. Freeman, the well known and popular proprietor of the Palace Hotel in Sonoma, was a visitor in our vicinity on Tuesday.

Frank Kennedy is now on a visit to friends in San Jose and will be among us again in a short time, at least we hope so.

John Batto & Sons have started to fill their spacious hay warehouses and a number of teams and men are engaged on the job.

A large amount of fruit, poultry, eggs, wine and other products are shipped from here daily and of an afternoon this burg is quite lively.

George Narbores and son of Oakland were the guests of Mesdames August Rouquie Jr. and Louis Rouquie at Vineyard Villa Saturday evening and Sunday.

Edward Mitchell of San Francisco, better known to his friends as "Pleasant Edward," spent a few days this week looking after his summer home on the Hyde tract.

Last Sunday was surely the banner day of this burg for the season of 1912—that is so far. A large number of visitors enjoyed the hospitality of our villas while others were guests of friends.

Albert Groskopf Jr. visited Sebastopol Sunday on his motorcycle and while in that city met many friends, among them being Mrs. Otto Gericke and family of Alta Vista, who are visiting friends in that section.

Mr. and Mrs. A. J. Silva, Miss Manie Silva, Mr. and Mrs. Tony Silva and Mrs. Tony Jason took the south-bound train Sunday last to attend the wedding reception of Mr. and Mrs. Manuel Sauza (nee Rosie Silva) in Oakland.

Joseph Keechler, the jovial and popular superintendent of the Jones ranch, accompanied by Arnold Reiblich of Petaluma, was a visitor in this burg one day last week in a swell Hudson auto. Some class to that machine, Joe.

Vineburg, July 18, 1912.
Easy Jim:
Now, as you know, I am a person of very few words, in fact I very seldom say anything, but I

was real angry last week when I read what Mr. McKiver of El Verano wrote about William Block. You know our Willie, and of course he may have went to El Verano to see his old friend Belle Brandon, but believe me he was not chasing any Hannahs, as Willie has a previous engagement right here.

I had a real nice time the other day. A gentleman friend of mine invited me to take an auto ride. Oh, we just went sailing along so nice till we got in front of a graveyard, when biff something dropped. It was not me, sure, and my friend told me that he didn't think that carbolic acid was good to run an ice wagon and the next time he is going to use gasoline. He knows his business. But aren't the roads dusty for low-necked shoes when you have to hike home six miles. Oh, yes, he wants me to go out again. Watch me go.

Three cheers for Vineburg we are going to have a wild west show just as soon as his honor the Mayor has his wild calf trained. It is nearly down to weight now. The Mayor says if he cannot put up a better show than Sonoma did he will run for Supervisor.

I hear that in a short time Dan Cupid will get busy again. Go to it, Dan, there are plenty of us left. Yes, some badly left.

A young friend of mine, a gentleman who is very fond of taking an auto ride early Sunday morning, told me he enjoyed his trip very much last Sunday—that is, his trip home.

Fannie Fernde is writing a novel called "Two Empty Eggs." Fill them, Fannie, and let it go at that.

Some one told me that Jim Small was going to corner the peanut market. Don't believe it. Jim don't know the difference between peanuts and French prunes. He is safe.

Oh, here comes Ethel, Viola and Fannie. All off Easy. Good bye.

Minnie Madden
A double birthday party was celebrated Sunday at the residence of John Batto, it being the anniversary of his birth and also that of his daughter, Mrs. August Figone of San Francisco. Among the guests at an elaborate dinner which was served were Louis Figone, President of one of the Labor Unions of the metropolis, Frank Devine, a member of the Orpheum circuit and Aug. Figone, proprietor of the Vineburg wine vaults. After spending a merry day all departed wishing Mr. Batto and Mrs. Figone many happy returns of the day. Plates were laid for fourteen.

Items Gleaned by our Live-
Awake Reporter the Past
Week

Mrs. Morris Levy of the Hotel Mervyn is entertaining her sister, Miss May Bosch of Vineburg this week.

Mr. and Mrs. Clark of San Jose are spending a few days with Mr. and Mrs. Harry Wilkins at "Harry's Inn."

The campers in this vicinity have been having good luck the past week in whipping the near-by trout streams.

Mr. and Mrs. Kelly of Palo Alto are the guests of Mr. and Mrs. Dunn of this place. They are glad to be in Glen Ellen as they have a host of friends and relatives here. Mrs. Kelly is a daughter of Mrs. Dunn.

A grand time is assured all who attend the entertainment on Saturday evening, July 20th, at Mervyn Hall. It will be given for the benefit of the Catholic Church, Local and San Francisco talent will entertain all who are present. Among the numbers will be Miss Frances Dougherty and her four star artists in the four-in-hand reel.

The Glen Ellen baseball team gave its big minstrel show and dance on Morris Levy's hotel grounds to one of the largest crowds of pleased joy-seekers ever congregated here. Every number on the program of the minstrel show made a hit. The end men who helped along the big laugh were J. F. Trusty, Walter Hardman, Lon Young and J. M. Trusty. Ernest W. Sobbe made a big hit in his love song "Dream of Me," and was appreciatively applauded. There was also good singing by Messrs. Joe Trusty, Milt Sobbe, Emory Ranker, Walter Hardman and Mr. Murphy. Mr. Harry Wilkins was the middleman and more than made good. The date of the event, July 16th, will long be remembered as the night of the one good time.

BROKE UP THE HABIT.

A Woman Who Found a Simple Remedy For a Big Annoyance.

"What has become of those two children who visited you so often?" asked one west side woman of another. The other smiled discreetly.

"They are the children of my niece, and she was making a convenience of me. Of course I love the children, but I never allow myself to become much of a victim of imposition. My niece is an extremely gay young widow, and she does not like to take care of her children. She is fond of shopping, matinees, afternoon teas and everything, in short, which takes her away from home, and she got into a habit of sending her children over to my house for me to take care of whenever she wished to gad about. I decided it was time to break up the habit, for her own good and that of the children, as well as mine, so I did."

"I suppose that made your niece angry?"

"Oh, no; it couldn't. I never said anything about it. The last time the children came over I spent the afternoon teaching them verses from the Bible, and they didn't find it sufficiently entertaining. They never came back. Just how they managed to work it out with their mother I do not know, but I suppose they struck or begged off. Of course she could not object to what I had done, and it proved a very simple solution."—New York Press.

AN ASTOR DEAL.

The Only Time That Old John Jacob Sold Real Estate.

"One of the most stringent real estate rules of the Astor family is 'never sell'; and only one sale is recorded in the entire life of old John Jacob Astor," said Niles F. Watkins, a real estate broker of New York. "In 1830 Astor tore down his house in Broadway, cleared the whole block from Vesey to Barclay street and built the huge Quincey granite hotel known as the Astor House, which was one of the first notable landmarks in New York and also one of the best paying pieces of property."

"A few days after it was finished the old gentleman and his eldest son, William, were walking through City Hall park, where the postoffice now stands, and stopped a moment to admire the building, the finest hotel in America at that time."

"Pop, that's a mighty fine building," said William. "I wish to gracious it was mine."

"So?" answered the father. "Well, Billy, give me \$1 and you can have it."

"Out came the dollar—a big silver dollar that is cherished by the family to this day—and within an hour the deed of the property was made out and recorded. This was old Mr. Astor's only sale of real estate in his life."—Washington Herald.

A Solomon-like Decision.

A Rhode Island justice was called upon to determine the ownership of a brood of turkeys. The flock, consisting of fifteen young ones, was mothered by two hens, a white one and a bronze, and had been running for quite a time over two adjoining farms. The owner of the white hen declared that the turkeys were his, while the man who owned the bronze hen asserted just as positively that they belonged to him. The justice was puzzled. At last a witness came forward who swore that he had seen a dog chase the flock; that at the dog's approach the young birds flew up into a tree and the bronze hen took to the woods, but the white hen turned and gave battle to the dog. The justice thereupon decided that the owner of the white hen was also the rightful owner of the brood of young turkeys. —New York Press.

A Woman's Wit.

The husband of Lydia Childs was an invalid for many years. He was not well off in this world's goods, and much of the support of the family was earned by the wife. Thinking of this and of his wife's many sacrifices for his comfort, Mr. Childs once said to her regretfully: "My dear, I wish I were Croesus."

Whereupon Mrs. Childs, with ready wit and gracious tact, responded: "You are Croesus, for you are king of Lydia."—Los Angeles Times.

Imaginary Pains.

Don't laugh at hysterical people with their imaginary pains, says a physician. "Delusion" is really a sufferer. When one believes one has a pain one has the pain. All pain is in the brain, and to believe one has it is to have it. It matters not a whit whether the message is sent by one's toe that some kind friend is treading on or whether it is sent from one part of the brain to another. —New York Tribune.

Unmoved.

"I understand your antagonist is calling you every name he can think of?"

"Yes," replied Senator Sorghum cheerily. "But he hasn't much of a vocabulary."—Washington Star.

Much In Little.

Tommy—Pop, what does mutton in parvo mean? Tommy's Pop—Mutton in parvo is Latin, my son. It means—

—well, haven't you ever seen a fat woman in a bathing suit?—Philadelphia Record.

Distinction.

Milly—Is this picture like your father? Tilly—Of course not, silly! It is like father when he has his picture taken.—Puck.
